

Please note: This is very tentative, as there is still a 3rd pass for UCSB students and also waitlists... so numbers will change

*Students must have prerequisites for courses, even when space is available

Most students have not learned accounting in the US standard, and therefore are unlikely to meet the prerequisites for our accounting classes, despite their own accounting experience. Students who have not learned accounting in the US standard or at all should select Econ 3A if they want US accounting experience.
