

ECONOMICS SUGGESTED PLAN OF STUDY

FIRST YEAR		
<u>Fall Quarter:</u> -MATH 2A/3A/34A <i>Calculus I</i> (4 units)	<u>Winter Quarter:</u> -ECON 1 <i>Microeconomics</i> (4 units) -Math 2B/3B/34B <i>Calculus II</i> (4 units)	<u>Spring Quarter:</u> -ECON 2 <i>Macroeconomics</i> (4 units)
SECOND YEAR		
<u>Fall Quarter:</u> -PSTAT 109 <i>Statistics for Economics</i> (4 units)	<u>Winter Quarter:</u> -ECON 10A <i>Intermediate Micro Theory</i> (5 units)	<u>Spring Quarter:</u> -ECON 100B <i>Intermediate Micro Theory</i> (4 units)
THIRD YEAR		
<u>Fall Quarter:</u> -ECON 140A <i>Introduction to Econometrics</i> (4 units)	<u>Winter Quarter:</u> -ECON Elective [Area D] -WRIT 105/107/109 (4 units)	<u>Spring Quarter:</u> -ECON 101 <i>Intermediate Macro Theory</i> (4 units) -ECON Elective [Area D]
FOURTH YEAR		
<u>Fall Quarter:</u> -ECON Elective [Area D] -ECON Elective [Area D]	<u>Winter Quarter:</u> -ECON Elective [Area D/E] -ECON Elective [Area D/E]	<u>Spring Quarter:</u> -ECON Elective [Area D/E]

INFORMATION TO NOTE:

-ECON 1 may be taken during fall quarter, but it is recommended that *Calculus I* be taken first

-The WRIT course may be taken before or after declaring the full major

-“Change of Major” paperwork should be completed during the quarter you are taking the final pre/prep for major course (typically ECON 10A)

-The Economics major requires 7 upper division electives. Electives can be taken during any quarter that you find appropriate, based on course availability. Major electives can be broken down as follows:

1.) All electives may be chosen from Area D

OR

2.) *Up to 3* electives may be chosen from Area E and the rest from Area D

****Economics 189 and 199RA do not count towards the major.**
