For more information regarding course availability, please visit our website <http://econ.ucsb.edu/undergraduate/courses> as well as viewing the UCSB General Catalog for course descriptions and prerequisites.

INFORMATION TO NOTE:

-Taking PSTAT 109 or ECON 10A (or both) during the summer session before your first Fall quarter at UCSB is an alternative option.

-The WRIT course may be taken before or after declaring the full major

-“Change of Major” paperwork should be completed during the quarter you are taking the final pre/prep for major course (typically ECON 10A)

-The Economics major requires 7 upper division electives. Electives can be taken during any quarter that you find appropriate, based on course availability. Major electives can be broken down as follows:

1.) All electives may be chosen from Area D

OR

2.) *Up to 3* electives may be chosen from Area E and the rest from Area D

****Economics 189 and 199RA *do not* count towards the major.**
