For more information regarding course availability, please visit our website http://econ.ucsb.edu/undergraduate/courses as well as viewing the UCSB General Catalog for course descriptions and prerequisites.

**INFORMATION TO NOTE:**

- Consider taking PSTAT 109 AND/OR ECON 10A the summer before your first Fall quarter at UCSB to lighten your 1st quarter course load. DO NOT take both courses in the same summer session.

- Complete “Change of Major” paperwork in NH2121 during the quarter you are taking the final pre/prep for major course (typically ECON 10A)

- The Economics and Accounting major requires **3 upper division electives**. Major electives must be broken down as follows:

  1.) **Two** electives from Area I 
  2.) **One** elective from Area E

  **Economics 199RA does not count towards the major.**
